Message to the Congress on Continuation of the National Emergency With Respect to Ukraine

March 1, 2023

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13660 of March 6, 2014, which was expanded in scope in Executive Order 13661, Executive Order 13662, and Executive Order 14065, and under which additional steps were taken in Executive Order 13685 and Executive Order 13849, is to continue in effect beyond March 6, 2023.

The actions and policies of persons that undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets, as well as the actions and policies of the Government of the Russian Federation, including its purported annexation of Crimea and its use of force in Ukraine, continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States.

Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13660 with respect to Ukraine.

JOSEPH R. BIDEN JR.

The White House,
